

Mastering the ABPN Video Exam

A 3 volume series for the ABPN Part II videotape exam

90 minute board exam videotapes

include interview, exam, and discussion of the following diagnostic categories:

VIDEOTAPE 1

*Addiction Psychiatry
Special Strategies for IMGs\$95*

VIDEOTAPE 2

*Forensic Psychiatry
Psychopharmacology\$95*

VIDEOTAPE 3

*Psychotherapy
Psychodynamic Theory\$95*

These 90 minute videotapes are divided into 4 parts:

Part 1 / Introduction

Dr. Land discusses strategies for passing the ABPN Part II videotape exam.

Part 2 / Interview

A psychiatrist conducts a deliberately vague and incomplete interview of a psychiatric patient, similar to those seen on the actual exam.

Part 3 / Presentation and Examination

Dr. Land presents the case followed by an examination conducted by Dr. Marcus Goldman, a board certified psychiatrist and lecturer on board preparation techniques.

Part 4 / Discussion

Dr. Land and Dr. Goldman discuss the interview, offer test taking strategies, and review important Board exam topics.
